LOGNOTE - Chief, Operations Group, 3 April 1986

1. [ ] Following is from today's staff meeting: 25X1
  - [ ] was selected Secretary of the Year in the DDS&T. An official ceremony will be conducted 24 April at Headquarters. Although many details are unknown, D/FBIS says that there will be special buses laid on for FBIS employees. I ask the divisions to have at least representational participation, including clerical employees. 25X1
  - It was announced that the DCI has sent a memo to Gates and [ ] asking that all offices look at their base budgets in FY-88 for funding to sustain Modernization efforts and to pay for New Initiatives. 25X1
  - The memo to the DDCI has been forwarded regarding approval to close Gulf Bureau. This information should be kept within the walls until we receive a response from the DDCI, expected within 10 days.
  - [ ] 25X1
  - D/FBIS gave a brief review of his just completed visit to the four Middle East bureaus and Abidjan. He reported that morale is high in all places and that all bureaus seem to be performing well. He anticipates the new bureau in Nicosia to be completed no more than one month behind schedule.
  - [ ] announced that the Vienna LAN Project has been demonstrated successfully at CRW. D/FBIS asked [ ] to make the demonstration available to anyone in FBIS desiring to witness it. 25X1  
25X1
  - C/Admin noted that word has it that up to 30 U.S. Consulates abroad will be closed by State Department as a direct result of Gramm-Rudman cuts.
  - C/Prod announced that he will be meeting with [ ] this week to discuss FBIS clerical requirements related to post-Reston operations. 25X1
